RE: Transmittal of the 100% Design Report for the P/S Landfill Cap

You will be receiving under separate cover a copy of the 100% Design Report for the Pesticide/Solvent Landfill Cap and Buttress project. As this project is on a tight time schedule, EPA needs your comments on the 100% Design Report sent to this agency no later than Tuesday, July 16th. As stated previously, specific comments must be provided in sequential order as they refer to the particular section, page number, table number, or figure number as appropriate. Please also send me an electronic copy of your comments.

If you have any questions, please give me a call at (415) 744-2147.
